# PRODUCT CERTIFICATE

**No. 204/C5/2023/010-047244**

In compliance with the enactment of Article 5 of the Government Decree No. 163/2002 Coll., that lays down technical requirements for selected construction products, as amended by Government Decree No. 312/2005 Coll. and by Government Decree No. 215/2016 Coll., it is confirmed, that in case of the construction product

construction product:

**CBG CarboBasalt – basalt micro fibre for concrete**  
**type / variation: Fibrillated basalt micro fibre of straight shape with carbon coating;**  
**(fibres for non-structural uses in concrete)**

manufacturer:

**CBG Composites GmbH**

INo: DE00017970  
address: Egerpohl 2, 516 88 Wipperfürth, Germany  
plant: Egerpohl 2, 516 88 Wipperfürth, Germany  
order: Z010230143

the Authorized Body has reviewed documents submitted by the manufacturer, performed the initial type-testing of the product sample, performed the initial inspection of manufacturing plant, assessed factory production control and has stated, that

- this product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed in the standards and technical regulations:  
the National Technical Approval No 010-047242 (issued by TZÚS Praha in the Czech republic on 5.10.2023, the document is valid till 5.10.2026)
- the factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned standards and technical regulations and comply with relevant technical documentation according to § 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 010-047243 of 10.10.2023 containing the conclusion of the findings, assessments, test results and description (eventually sketch) of the product necessary for its identification is to be considered as an integral part of this certificate.

This certificate was first issued on 10 October 2023 and remains valid as long as the requirements given in the designated standards and technical regulations referred to hereinabove or the manufacturing conditions in the factory or the factory production control itself are not modified significantly, unless suspended or withdrawn by the Authorized Body.

The Authorized Body performs at least once in every 12 months the surveillance of proper function of the factory production control at the manufacturer, selects samples at the factory and performs an audit-testing of samples to assess whether the characteristics of the product comply with the standards and technical regulations according to § 5 Clause 4 of the above mentioned Czech republic's Government Decree. The Authorized Body shall issue a report on the evaluation of surveillance and forwards it to the manufacturer.

The person taking overall responsibility for this certificate:

The stamp of the Authorized Body 204

Praha, 10 October 2023

Ing. Zdeněk Kočí  
Deputy manager of the Authorized Body 204
